1. Management Board Report

The Management Board of Stichting Triple Jump Advisory Services (“the Foundation”) hereby provides its financial statements for the financial year ended on December 31, 2021.

The Management Board of the Foundation in 2021 was formed by Mr. S.H.J. Evers (Chairperson), Mrs. C.I. Vroom (Treasurer) and Mr. M.N. Mulder (Secretary).

The Supervisory Board in 2021 consisted of Mr. J. ter Haar (Chairperson), Mrs. L. Hovius and Mrs. P. Mulder.

The Supervisory Board had a meeting to approve the annual report 2020 and the outlook for 2021 was discussed.

In 2021, the Foundation did not finance any projects. The Foundation is exploring if and how it can broaden its objectives to support investees in the clean energy sector, linked to investment funds managed by the Direct Investments Business Line of Triple Jump B.V. This analysis will be finished in the course of 2022 and the regulatory and tax impact should be clear in order for the Foundation to further develop its activities.

Management Board,

S.H.J. Evers

C.I. Vroom

M.N. Mulder

Increase in cash and cash equivalents	<u>(2,978)</u>	<u>(151)</u>

3. Notes to the financial statements

3.1 General notes

Activities

The activities of the Foundation, with registered office in Amsterdam, consist mainly of (financially) supporting, advising, guiding the development of microfinance institutions, which in turn aim among other things to:

- reach out to lower income target groups;
- contribute to reducing poverty in their society;
- improve the overall quality of life of their clients and their families, focusing on the sustainability and expansion of their financial services, respecting society and the environment.

3.2 General accounting principles

General

The financial statements have been prepared in accordance with RJ 640 'Not-for-profit organisations' of the Dutch Accounting Standards Board.

Assets and liabilities are generally valued at historical cost, production cost or at fair value at the time of acquisition. If no specific valuation principle has been stated, valuation is at historical cost.

The financial statements are presented in euros, the Foundation's currency. This is both the functional currency and presentation currency. All financial information in euros has been rounded to the nearest euro.

The cash flow statement has been drawn up in accordance with the indirect method, classifying cash flows as cash flows from operating, investing and financing activities. Cash flows arising from foreign currency transactions are translated into the functional currency using the exchange rates at the date of the cash flows.

Transactions in foreign currency, receivables and liabilities

Transactions in foreign currencies are stated in the financial statements at the exchange rate of the functional currency on the transaction date. Monetary assets and liabilities in foreign currencies are converted to the closing rate of the functional currency on the balance sheet date. The translation differences resulting from settlement and conversion are credited or charged to the statement of income and expenses.

3.3 Accounting principles applied to the valuation of assets and liabilities

Accounts receivables

Receivables are initially valued at the fair value of the consideration to be received, including transaction costs if material. Receivables are subsequently valued at the amortised cost price, which is, in general, equal to the nominal value. Provisions for bad debts are deducted from the carrying amount of the receivable.

Cash at banks and in hand

Cash at banks represent bank balances and deposits with terms of less than twelve months. Cash at banks and in hand is valued at nominal value.

General reserve

The general reserve of the Foundation is committed to projects as decided by the Management Board. This general reserve is deployed to develop flagship projects that allow us to step up our fundraising on a project by project basis.

3.4 Principles for the determination of the result

General

The result is determined as the difference between the total income and the total of the expenses. The income and expenses are allocated to the period to which they relate.

Expenses

Expenses are determined on a historical basis and are attributed to the reporting year to which they relate. Recharged project expenses are deducted from the project expenses.

Income tax

Based on the activities of the Foundation and according to the rules of the Dutch tax authorities, the Foundation is exempted from income tax.

3.5 Trade and other receivables

	2021	2020
	EUR	EUR
Project expenses to be recharged	-	-
Triple Jump B.V.	-	-
Accrued interest	-	-
	<u>-</u>	<u>-</u>
	<u>-</u>	<u>-</u>

The term of the receivables is shorter than one year. Project expenses to be recharged are project contributions received from financial intermediary institutions.

3.6 Cash and bank balances

	2021	2020
	EUR	EUR
Bank balances	<u>11,127</u>	<u>14,106</u>
	<u>11,127</u>	<u>14,106</u>

The cash and bank balances are at free disposal.

3.7 General reserve

	2021	2020
	EUR	EUR
Balance as at January 1	11,068	14,313
Result for the year	<u>(2,941)</u>	<u>(3,244)</u>
Balance as at December 31	<u>8,127</u>	<u>11,068</u>

The general reserve balance is after appropriation of the result for the year.

3.8 Current liabilities

	2021	2020
	EUR	EUR
Audit costs payable	3,000	3,025
Bank charges payable	<u>-</u>	<u>12</u>
	<u>3,000</u>	<u>3,037</u>

3.9 Other operating expenses

	2021	2020
	EUR	EUR
Consultancy and audit expenses	3,300	2,420
Other general expenses	<u>(359)</u>	<u>836</u>
	<u>2,941</u>	<u>3,256</u>

3.10 Interest income

	2021	2020
	EUR	EUR
Interest bank accounts	<u> </u>	<u>12</u>
	<u> </u>	<u>12</u>

3.11 Off-balance sheet assets and commitments

As of December 31, 2021, and 2020, there were no off-balance sheet assets nor commitments.

3.12 Subsequent events

There are no subsequent events after balance date which affects the actual state at December 31, 2021.

Amsterdam, June 28, 2022

Management Board,

S.H.J. Evers

C.I. Vroom

M.N. Mulder

4. Other information

Provisions in the Articles of Association governing the appropriation of result

According to article 10 of the company's Articles of Association, the financial report can be established by the management after approval of the supervisory board.

Proposal for appropriation of result

The Management Board after approval of the supervisory board of the Foundation, has decided the following appropriation of the 2021 result:

The whole net result (loss) of: € (2,941) is to be added to the general reserve and is included in the general reserve presented on the statements of financial position at year end.

INDEPENDENT AUDITOR'S REPORT

To: The Management Board and the Supervisory Board of Stichting Triple Jump Advisory Services

Report on the audit of the financial statements 2021 included in the annual report

Our opinion

We have audited the financial statements 2021 of Stichting Triple Jump Advisory Services based in Amsterdam.

In our opinion the accompanying financial statements give a true and fair view of the financial position of Stichting Triple Jump Advisory Services as at 31 December 2021, and of its result for 2021 in accordance with the Guideline for annual reporting 640 'Not-for-profit organisations' of the Dutch Accounting Standards Board.

The financial statements comprise:

- 1 the balance sheet as at 31 December 2021;
- 2 the profit and loss account for 2021; and
- 3 the notes comprising a summary of the accounting policies and other explanatory information.

Basis for our opinion

We conducted our audit in accordance with Dutch law, including the Dutch Standards on Auditing. Our responsibilities under those standards are further described in the 'Our responsibilities for the audit of the financial statements' section of our report.

We are independent of Stichting Triple Jump Advisory Services in accordance with the Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten (ViO, Code of Ethics for Professional Accountants, a regulation with respect to independence) and other relevant independence regulations in the Netherlands. Furthermore we have complied with the Verordening gedrags- en beroepsregels accountants (VGBA, Dutch Code of Ethics).

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Uncertainty related to the foundation's future activities

We draw attention to the last paragraph of the Management Board Report on page 3 of the annual report which indicates the uncertainty of the foundation's future new activities. New activities of the foundation can only be developed on the condition that new financial resources are obtained. Our opinion is not modified in respect of this matter.

Report on the other information included in the financial report

In addition to the financial statements and our auditor's report thereon, the annual report contains other information that consists of:

- The Management Board Report
- Other information

Based on the following procedures performed, we conclude that the other information is consistent

with the financial statements and does not contain material misstatements.

We have read the other information. Based on our knowledge and understanding obtained through our audit of the financial statements or otherwise, we have considered whether the other information contains material misstatements.

By performing these procedures, we comply with the requirements of the Dutch Standard 720. The scope of the procedures performed is substantially less than the scope of those performed in our audit of the financial statements.

The Management Board is responsible for the preparation of the other information, including the management board report in accordance with the Guideline for annual reporting 640 'Not-for-profit organisations' of the Dutch Accounting Standards Board.

Description of responsibilities regarding the financial statements

Responsibilities of management board and the supervisory board for the financial statements

The Management Board is responsible for the preparation and fair presentation of the financial statements in accordance with the Guideline for annual reporting 640 'Not-for-profit organisations' of the Dutch Accounting Standards Board. Furthermore, the Management Board is responsible for such internal control as the Management Board determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

As part of the preparation of the financial statements, the Management Board is responsible for assessing the foundation ability to continue as a going concern. Based on the financial reporting framework mentioned, the Management Board should prepare the financial statements using the going concern basis of accounting, unless the Management Board either intends to liquidate the foundation, or to cease operations, or has no realistic alternative but to do so.

The Management Board should disclose events and circumstances that may cast significant doubt on the foundation's ability to continue as a going concern in the financial statements.

The Supervisory Board is responsible for overseeing the company's financial reporting process.

Our responsibilities for the audit of the financial statements

Our objective is to plan and perform the audit engagement in a manner that allows us to obtain sufficient and appropriate audit evidence for our opinion.

Our audit has been performed with a high, but not absolute, level of assurance, which means we may not detect all material errors and fraud during our audit.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. The materiality affects the nature, timing and extent of our audit procedures and the evaluation of the effect of identified misstatements on our opinion.

We have exercised professional judgement and have maintained professional scepticism throughout the audit, in accordance with Dutch Standards on Auditing, ethical requirements and independence requirements. Our audit included among others:

- identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, designing and performing audit procedures responsive to those risks, and obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the foundation's internal control;
- evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Board;
- concluding on the appropriateness of the Management's Board use of the going concern basis of accounting, and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause a foundation to cease to continue as a going concern;
- evaluating the overall presentation, structure and content of the financial statements, including the disclosures; and
- evaluating whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Supervisory Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant findings in internal control that we identify during our audit.
